Introduction

Frangipani Concrete Business School (FCBS) is a specialized institution committed to equipping individuals with high-quality professional and technical training across Construction, Healthcare, Business Services, IT, Logistics, Real Estate, and Hospitality sectors.

We seek mutually beneficial partnerships with top organizations to offer internship opportunities to our industry-ready graduates.

Why FCBS Graduates?

- Professionally Trained (Technical and Soft Skills)
- Practical, Hands-On Experience
- Commitment to Excellence and Work Ethic
- Ready for immediate Deployment into Projects and Roles

Benefits to Partnering Organizations:

- Access to highly skilled and affordable interns
- Fresh perspectives and ideas for your teams
- Pre-screened, professionally groomed talents
- Future hiring pipeline (if desired)

Internship Duration:

3 months - 6 months (Flexible depending on the organization's need)

Next Steps:

We propose a meeting (physical or virtual) to discuss potential intern placement. We are willing to customize engagement based on your organizational needs.
